□ 1546

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 1904) to facilitate the efficient extraction of mineral resources in southeast Arizona by authorizing and directing an exchange of Federal and non-Federal land, and for other purposes, with Mr. LATOURETTE (Acting Chair) in the chair.

The Clerk read the title of the bill.

So the amendment was rejected.

The result of the vote was announced as above recorded.

The Acting CHAIR. The question is on the amendment in the nature of a substitute.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HUNTER) having assumed the chair, Mr. LATOURETTE, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 1904) to facilitate the efficient extraction of mineral resources in southeast Arizona by authorizing and directing an exchange of Federal and non-Federal land, and for other purposes, and, pursuant to House Resolution 444, reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

The question is on the amendment in the nature of a substitute.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOMENT OF SILENCE IN REMEMBRANCE OF MEMBERS OF ARMED FORCES AND THEIR FAMILIES

The SPEAKER pro tempore. The Chair would ask all present to rise for the purpose of a moment of silence.

The Chair asks that the House now observe a moment of silence in remembrance of our brave men and women in uniform who have given their lives in the service of our Nation in Iraq and in Afghanistan and their families, and of all who serve in our Armed Forces and their families.

MOTION TO RECOMMIT

Mr. DEUTCH. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. DEUTCH. I am opposed in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Deutch moves to recommit the bill H.R. 1904 to the Committee on Natural Resources with instructions to report the same back to the House forthwith with the following amendment:

Page 6, line 19, relating to the definition of Resolution Copper Mining, LLC, insert before the period the following: “, except that such term shall not include any company, successor, assign, affiliate, member, or joint venturer with an ownership interest in any property or project any portion of which is owned by the Iran Foreign Investment Company”.

The SPEAKER pro tempore. The gentleman from Florida is recognized for 5 minutes.

Mr. DEUTCH. Mr. Speaker, bipartisan unity may be rare these days, but if there is one issue we have consistently come together on, it is the threat posed by a nuclear-armed Iran.

That's why last year's body voted to enact tough new sanctions aimed at preventing Iran from acquiring nuclear weapons. That's why 332 Members of this House are today cosponsors of new legislation to strengthen Iran sanctions law. And it is also why this body should join me on this final amendment to the bill so we do not reward companies that provide financial and material support to the Iranian regime—because this bill, in its current form, will bolster Iran's illicit quest for nuclear weapons.

This legislation awards U.S. land to Resolution Copper, a company owned by Rio Tinto. Rio Tinto also owns a majority stake in the Rossing uranium mine in Namibia, where it partners with the Iran Foreign Investment Company. The Iran Foreign Investment Company is wholly owned by the Iranian regime, and last summer the Treasury Department added it to the list of Iranian entities in violation of sanctions law.

Quite simply, we are about to reward a company that partners with the Iranian regime to mine, of all things, the uranium it needs to become a nuclear-armed power. This Congress cannot be in the business of assisting a regime that plots an attack on U.S. soil, that kills brave American soldiers in Iraq and Afghanistan, and threatens to wipe our ally Israel off the map.

Iran has made its intentions clear. The Iranian nuclear program is not intended for peaceful purposes. Just last month, an IAEA agency report indicated “increasing concerns” about possible “military dimensions” to the Iranian program. The threat is real, and this Congress has always taken it seriously.

We have watched Iran attempt to make a mockery of U.S. law by finding

new ways to evade sanctions. And now we are going to help them do it?

My amendment does one thing: It blocks any land exchange with a company or affiliate connected to the Iran Foreign Investment Company.

Let me be clear. This amendment will not prevent the passage of the legislation. If adopted, it will be incorporated and we will vote on the final bill. We have come together against a nuclear-armed Iran before, and we can do it again today. Let's put bipartisanship aside. Join me on this motion to recommit and let's unite against the very real threat of a nuclear-armed Iranian regime.

I am pleased to yield to the ranking member, the gentleman from Massachusetts.

□ 1630

Mr. MARKEY. I thank the gentleman.

The bill before us today proposes to give away National Forest land to the Resolution Copper Corporation so they can build a giant copper mine. There could be somewhere between \$2 billion and \$7 billion worth of copper on this land.

So who exactly is this company that is going to be the beneficiary of the Republican majority largesse? A controlling 55 percent of Resolution Copper's shares are owned by the giant mining conglomerate Rio Tinto.

What else does Rio Tinto own? It turns out Rio Tinto owns 65 percent of the world's largest open pit uranium mine, the Rossing Mine, in Namibia. Their second-largest partner in the Rossing Uranium Mine, with a 15 percent stake and two people on the board of directors, is none other than the government of Iran.

The U.N. Security Council has six times approved resolutions condemning Iran for its violations of the Nuclear Nonproliferation Treaty, and this House has twice enacted strong Iran nuclear sanctions. Yet Rio Tinto is in partnership with the Iranian government to mine uranium. For what purpose?

And with this bill today we are rewarding Rio Tinto. We are telling Rio Tinto, Never mind the U.N. sanctions. Never mind the sanctions of U.S. law.

What the Deutch amendment does is say if you want to do business with America, you need to stop doing business with Iran and Mahmoud Ahmadinejad. Under this amendment, as soon as Rio Tinto severs its partnership with Iran and Ahmadinejad, Rio Tinto's Resolution Copper affiliate can proceed to take title to these very valuable Federal lands in Arizona in the United States of America.

I don't think that's too much for this Congress to ask. Vote for a strong nuclear nonproliferation policy. Send a message to Ahmadinejad. Vote for the Deutch amendment.

Mr. DEUTCH. I yield back the balance of my time.

Mr. HASTINGS of Washington. I rise in opposition to the motion to recommit.

The SPEAKER pro tempore (Mr. CHAFFETZ). The gentleman is recognized for 5 minutes.

Mr. HASTINGS of Washington. Mr. Speaker, let me be perfectly clear, and I will say this as slowly as I can so it can be understood. This bill does not waive any economic sanction laws. All of those laws still stand.

Now, let me say this. This bill is about creating jobs in Arizona. By creating jobs in Arizona, we are creating American jobs in Arizona.

It is interesting to me how I hear the other side come up with all of these different ideas. The debate has been going on for some time—probably about 3 years, come to think of it. Here is what the debate is: It's about creating jobs in this country. Our approach on this side is very simple. It's simple because it's based on the premise of our country. We rely on the private sector. We rely on people to make an investment to create American jobs. Their side wants to—and we heard this in debate—raise taxes and create public jobs. This creates private jobs.

I say vote “no” on the motion to recommit and pass the bill.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. DEUTCH. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 8 and clause 9 of rule XX, this 15-minute vote on the motion to recommit H.R. 1904 will be followed by 5-minute votes on passage of H.R. 1904, if ordered; ordering the previous question on House Resolution 448; adopting House Resolution 448, if ordered; and suspending the rules and passing H.R. 2527.
